At the November 13, 2007 meeting the Board met with Sykes Construction to review their completed projects with similar repairs and answered questions from the Board of Directors regarding the upcoming reconstruction project.

The Board also met with Attorney Erica Brynes to discuss the loan for the project, the present real estate market place affecting interest rates and unit sales.

The Board will be reviewing and making decisions on contractors for the project, scope of work, and the perimeters for the reconstruction loan.

LANDSCAPING UPGRADES

As you enter the Association, Dean Day Landscape has completed the landscape upgrade project on the left side.

Next, the Board may have the Association sign updated and moved so the sign is easier to see from the street and makes the entrance more inviting.

Happy Thanksgiving
